

# NOTICE OF INTERRUPTIONS TO NORMAL TRAFFIC FLOW DUE TO FLOOD DAMAGE REPAIRS ON CLARENCE DRIVE

Emergency flood damage repairs on Clarence Drive is currently being carried out and will result in full road closure and lane closures on the R44 (Clarence Drive) between Rooi Els and Gordons Bay. Stop/Go traffic accommodation will be in place for the safe passage of the traffic during the construction works. The work includes the installation of stormwater infrastructure and resurfacing of the parking areas.

Lane closures will take place from 5 May to 22 May 2025, during daytime hours only. A **full road closure** is scheduled from **8 May to 15 May 2025** (excluding Saturdays and Sundays), and will be in effect **daily from 09:00 AM to 4:00 PM**.

The Western Cape Government is working hard to maintain our roads. Please drive carefully during this period of construction. Let us work together to ensure that our roads are safer, **FOR YOU**.
