Dear OMP Project Office

Please advise where the revised documents can be viewed?

Kind regards

Dear Interested and Affected Parties for the proposed Oude Molen Precinct redevelopment:

Please note that requests for extensions of time **will not be granted** because most of the documents released for viewing and comment as part of the Revised HIA process have been part of the process and public domain since the release of the draft HIA, September 2024 and the Final HIA March 2025.

We recommend that you consider the '**Response to HWC IACOM Further Requirements**' document that provides responses to the IACOM request for further requirements and any changes that may have been made in the Revised HIA; the **Development Proposal documentation** with the refined **Precinct Plan**, and **Landscape Plan** to aid the review of the information/reports by focusing on the main reports related to revisions to be commented on and for HWC IACOM consideration and decision.

There will be no further direct one-on-one responses to comments or queries or questions during this process. I&As should submit their formal comments **on or before 15 December 2025**.

Kind Regards / Vriendelike Groete
