Subject: Re: Oude Molen Precinct Project: Notice for comment in terms of Section 38 of the National Heritage Resources Act: Revised Heritage Impact Assessment for Oude Molen Precinct

Good day,

Thank you for your email.

Though the Oude Molen Stables document/submission in response to the first HIA is included on the government website under 'attachments to submissions' (under annexure L) - it is still not listed in either annexure K or annexure L list, so is easily missed. This was raised as a concern with the initial HIA report also. Please can you rectify this.

Please can you advise whether Western Cape Heritage approved and endorsed the Oude Molen Precinct documentation which was presented/displayed to the public at the recent Investment Summit (5-7 November).

Yours sincerely,
