

# Hout Bay site enablement – Call to register as an interested and affected party

The Western Cape Department of Infrastructure has appointed a professional service provider to commence with site enablement investigations and assessments on the following erven in Hout Bay:

Erf 4061; Erf 4062; Erf 5636 and Erf 5637.

You are hereby invited to register as an interested and affected party (I&AP) on this project. There will be several opportunities to engage with the professional team on the project over the next two years and additional opportunities to register.

Please send your name, email address, cell phone number, physical address and I&AP representation to [DOI.HoutBay@westerncape.gov.za](mailto:DOI.HoutBay@westerncape.gov.za) no later than 30 April 2026.
